

Ministry of Industry and Entrepreneurship Development

Government subsidies for Good Manufacturing Practices (GMP) Certification - 2026

The Ministry of Industry and Entrepreneurship Development has initiated a special sponsorship program to increase the productivity of local industries and to enhance food security. Following small-scale industries or medium-scale industries with an annual turnover of less than Rs. 675 million and less than 125 employees as of January 01, 2026 can apply to obtain (GMP) quality certificates in this regard.

● Processed food products	● Value added Tea-related products	● Milk and Milk-based products
● Value added Spices products	● Value added Coconut, Coir and Coir-based products	● Packaging Products

Benefits:

- Certification fees up to a maximum of Rs. 100,000/- for selected industries and relevant fees will be reimbursed upon submission of certificates and bills.
- Required guidance will be given during the period of program.

Eligibility:

- The industry should have successful production records for one year.
- The industry should be successfully functioning at the time of application
- Should be an industry that has not applied for certification institutions to obtain relevant certificates at the time of application.

Selection Procedure:

- Number of 50 industries relevant to above sectors will be selected based on conditions stated in the newspaper advertisement and the facts verified at the interview.

Other Conditions:

- Certificates should be obtained from the Sri Lanka Standards Institution or from a certification institution accredited by Sri Lanka Accreditation Board (SLAB).
- The certificate & relevant bills should be submitted to the Ministry on or before 30th October 2026 to reimburse the certification fee.
- The relevant industry should not have received similar benefits from any other government institution during the certification process.
- The selected Industries will have to sign an agreement with the Ministry, confirming the ability of completing the process before the closing date.
- Only one company from a group of companies can apply for this program.

Application:

- Application using the QR code below or Google extension should be submitted on or before 27 March, 2026.
